

Central/NorthCentral District League Rules and Regulations

Members

- The Central/NorthCentral District League is composed of Competitive teams from clubs registered to CJSA's Central and NorthCentral Districts.

Mission Statement

- The League's mission is to give Competitive teams registered to the Central and NorthCentral Districts a place to play games against other teams with similar capabilities. To accomplish this goal the League creates Divisions based on team's age group and team strength. Division schedules are created so each team has a minimum of 5 league games and max of 7.
- The League develops a recommended match schedule. The League allows games to be rescheduled so when conflict occurs the game still can be played on another agreed to date. The top priority is to have players play games.
- Game results and Division standing are published for all age groups U11 and older

League Governance

- The Central/NorthCentral District League will be administered by a League Director who will be jointly appointed by the Vice Presidents of the Central and NorthCentral Districts.
- The Central/NorthCentral District League will be governed by a committee consisting of three representatives named by each District and chaired by the League Director. Each representative will have one vote on all combined League matters. The committee will meet a minimum of four times per year (prior to and after each season).
- The governing committee for the combined league will have sole responsibility for determining league rules and all decisions regarding the running of the League. In addition, they will be responsible for naming all League contacts including Division Coordinators and Protest chairman.
- The League will continue to use district contacts for registration, fee collection, and as necessary, disciplinary actions.
- The League will determine an entry fee (see below) for each team wishing to participate.
- League rules and schedules will be published to appropriate district representatives and teams prior to each season.
- The League Governing Committee will review the rules prior to each season and amend them as appropriate.
- The League will be responsible for recognizing division winners. No awards will be given within the 9 and 10 year old brackets. Division winners must have reported results in a timely manner and completed their league schedule satisfactorily to be eligible for awards. Division winners must have a minimum of a .500 record. Standings are based on a point system, three points for each win, one point for each tie. Teams tied for divisional championship will be reviewed by the Board and considered co-champions.
- The League supports CJSA Silent Sidelines weekend initiative each Fall and Spring playing season.

Club Responsibility
